

ON THE CUSP OF 100 MEMBERS!

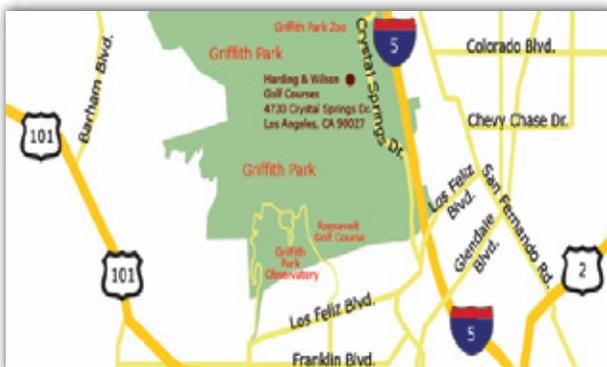

Beta Alpha Chapter was on the ropes. At the start of the 2010-11 academic year, we were down to only 11 members. Our alumni and the returning actives vowed to make a diving save and embarked on a three-year mission to return Beta Alpha to its traditional place of prominence at UCLA.

2013 marks the third year of the restoration project and, incredibly, the Chapter has grown to nearly 80 members. By September of this year, our unparalleled alumni-undergrad partnership will usher in the return of Beta Alpha to 100-man chapter status.

These are truly exciting times for Theta Chi Fraternity at UCLA! On May 10-11, 2013, we will be celebrating our resurgence and introducing our alumni to the outstanding young men who are proudly carrying on traditions. Please join us for a weekend of Theta Chi excellence!

Fundraising Champions!

We kicked off last year's Founders' Day Weekend with the "Beta Alpha Hold 'Em Showdown" at the Chapter House. Mark Rieth '14 was crowned BA Poker Champion after owning the 40-player field of 24 alumni and 16 undergrads. Bro. Rieth set the tone for the weekend by donating his \$500 winnings to the Helping Hand Scholarship Fund (to benefit incoming UCLA frosh).

The following day, we hosted 80 golfers at Brookside Golf Club in Pasadena for our annual Golf Tournament, followed by welcoming over 115 guests at the evening's Founders' Day Banquet. On the weekend, we hosted over 150 guests representing six decades of UCLA Theta Chi's existence! Thank you for your loyal support, alumni, actives, pledges, and guests!

At last year's event, we raised over \$6,000 for the Helping Hand Scholarships that have benefited dozens of UCLA students and their families, and have enabled the Chapter to welcome in some of the most well-rounded students on campus! The program has been so successful that IHQ invited Alumni Assoc. officers, Scott Sutherland '92 & James Sun '92, to teach a Helping Hand Scholarship class to other chapters' alumni and actives at this past summer's Theta Chi National Convention.
